About the Chief Guest

Sri. DATTATRI SALAGAME

CEO, President
Bosch Global Software Technologies
Mechanical Engineering, 1991

With over 3 decades of experience in software and technology industry across regions, Datta has spearheaded several strategic transformation initiatives across business leadership, innovation, entrepreneurship, start-up incubation, M&A, sales and global delivery.

Formerly in 2015 as the head of strategy for Bosch in India, he had established the Bosch start-up engagement program, Discover. Nurture. Align. (DNA) and was heading the digital business at BGSW, erstwhile RBEI, helping customers and partners in their digital journey.

As the CEO, Datta leads the company's efforts to drive technology-first digital transformations for the world and is looking to further strengthen BGSW as a global software powerhouse for Bosch and its customers.

He is member council to several prominent industry forums and academic boards such as NASSCOM ER&D, India-German Council, Govt. of Karnataka IT Vision and many other CXO forums.
