

## B.M.S. COLLEGE OF ENGINEERING

### Department of Management Studies & Research Centre

(Accredited by NBA)

The Department of Management Studies & Research Centre was started in the year 1992 with an objective of imparting quality Management Education. The student intake to 120 and it was approved as a Research Centre in the year 2005 by VTU, Belgaum.

#### **The Department is accredited by the NBA (National Board of Accreditation).**

The Department has been striving to offer quality Management Education through a team of qualified, motivated and experienced faculty members. The pedagogy involves guest lectures, seminars, workshops, case based learning, course assignments, meet the CEO series, industrial visits etc., to prepare the students to face the challenges in the corporate world.

#### **Value Added Programs:**

The program focuses on holistic development of students in addition to instilling excellent managerial skills and leadership qualities, which are essential to succeed in a globalized economy. Various value added programmes are offered to students for their all-round development. The students are offered with **industry certification in International taxation, Business Analytics, NLP, MS Excel, NISM** certification to name a few. The Department has **four Toast Masters clubs, NIPM Student Chapter, Member of CII, AIMA** and other professional bodies.

The students also get an experience in organizing a Management Event through ‘**QUEST**’ which is an inter-collegiate event organized by the department. The International Conference organized by the department gives the students an opportunity to do research & publish papers.

#### **Placement Cell:**

The **Department has an exclusive placement cell** to handle training needs of the students, project and final placements.

- The Placement Cell has very active linkages and collaborations with industry.
- It helps students in pursuing their career interests and also assists the employers in achieving their hiring goals.
- The vital role of the Placement Cell is to groom and shape the students and make them industry ready by imparting necessary skills and training.
- More than **60 reputed National and Multinational companies** visit our department for campus recruitment annually.
